

## DECLARATION OF RoHS CONFORMITY

### Statement of Compliance

To minimize the environmental impact and take more responsibility on the environment, COTEK hereby confirms that the following product series manufactured by COTEK Electronic Ind.Co.,Ltd are in compliance with Directive 2002/95/EC (RoHS Directives)

### Content of Compliance

Lead-Pb	<0.1% (1000ppm)
Mercury-Hg	<0.1% (1000ppm)
Cadmium-Cd	<0.01% (100ppm)
Hexavalent Chrome-(Cr <sup>+6</sup> )	<0.1% (1000ppm)
Polybrominated Biphenyls-PBB	<0.1% (1000ppm)
Polybrominated Diphenyl Ethers-PBDE	<0.1% (1000ppm)

**SVHC of RoHS 2.0**(We are investigating and assessing following priority evaluation substances reference the RoHS2.0 legislation revised.)

HBCDD(Hexabromocyclododecane)

BBP(Butyl benzyl phthalate)

DBP(Dibutyl phthalate)

DEHP(Di-(2-ethylhexyl)phthalate)

### Product Series

Full series of CCFL Inverters

Pure sine wave power inverters including S series, SK series ,ST series , SR series , SB series ,TSI series, PSI series,FI series ,SB series,SE series

Modified sine wave inverters including MI series ,PP series

Switching mode power supplies including N series, P series, U series, GE series,AK series, MP/ME series, UP series, DN series, DV series, QP series, AP serie

Multi-stage battery chargers including BP series, CK series

Remote controls including CR-series, REMO-series

The new models which COTEK is developing or will develop are in accordance with the declaration of RoHS Directive.

- For other products which are not listed above, please contact our sales representatives for availability

### Delivery

The actual delivery date for RoHS compliance products will depend on our inventory status.

Please contact our sales representatives for details.

### How to Recognize

The number will be changed as below for RoHS compliance products for the ease of identification:

- 1. The serial number originally was xxUxxxxxxxx and right now will be changed to xx5xxxxxx (If the first word was A-M made in Taiwan).
- 2. The serial number originally was xxNxxxxxxxx and right now will be changed to xx5xxxxxx (If the word was N-Z, then the product made in ShenZhen,China).
- 3. The serial number originally was xxKxxxxxxxx and right now will be changed to xxLxxxxxxxx (made in KunShan.China).
- 4. The size of SMPS, Power Inverter, CCFL Inverter is too small to paste serials label, so we mark

the Pb free logo  on component side of PCB.

### Disclaimers

COTEK Electronic Ind.Co.,Ltd. bases its material content knowledge on information provided by third Parties and has taken and continues to take commercially reasonable steps to provide representative and accurate information but may not have conducted destructive testing or chemical analysis on incoming materials and chemicals.

This certification applies only to COTEK products which are manufactured after Jan. 1st,2011 and is made based on COTEK's understandings of European Union Directive 2002/95/EC and a diligent review of the known and recognized substances contained in each components used to manufacture RoHS compliant products.
